Dear Supporters:

We have it now! Our dream Hindu Cultural Precinct on the Shores of Gold Coast

The Hindu Community in Australia has many reasons to celebrate! The community had a dream of building a Hindu Education and Cultural precinct in the midst of the buzzing Gold Coast. The community is now one step closer to fulfilling the dream. We have received confirmation from the Gold Coast City Council, offering us land in Arundel, Gold Coast for this [project](#).

This achievement is a critical milestone for the GCHCA and the wider Hindu community in Australia. It is a great feeling to know that the community is headed in the right direction and it's certainly very encouraging.

The community had a dream - We now have the land - We are well on the way to finalizing the building designs – We are all set to go! WE NEED YOU NOW more than ever to walk the last mile with us holding hands, praying, singing and dancing. People from all over Australia and the rest of the world have donated over \$320k in the last 7 months and we need much more to build your dream and to create a sense of belonging. Please join us, become a Founder Member – be part of this piece of history. This is your **last opportunity to become a [Founder Member](#)**, as applications for this membership will cease forever after September 13th 2013.

Thank you to all those who have been the driving force and [donated generously](#) to this worthy project before the council deadline for receiving submissions for this land (June 30th 2013). Your support has enabled us to secure the land. Now, we need the wider community to demonstrate the commitment to preserving our cultural heritage for the future well being of the society and do the last crucial bit. All donations to the building fund are [tax deductible](#). We are very confident that we would achieve the budgeted \$2 million to complete this project, as we are fortunate enough to be surrounded by [like-minded people](#), who share our [vision and objects](#) of promoting the values of Hindu culture and classical languages. Your valuable contribution at this stage is vital and much appreciated. The construction of this precinct is your investment for the younger generations, who will be able to appreciate and enjoy our traditional Hindu values in the future.

To those who may not be aware of our project, the GCHCA is in the midst of building the Hindu Education and Cultural Precinct in the Gold Coast with the intention to fulfill the religious, educational and cultural needs of the emerging Hindu community. We are currently in the process of finalizing the designs and drawings for this project. Please send us your feedback/comments on the attached concept design of the precinct. We welcome professionals like architects, town planners, quantity surveyors, engineers and various trade personnel, who can support the innovative venture by volunteering their expertise. Every cent donated (in kind or otherwise) will have profound impact and make a difference towards articulating and accomplishing the vision of the vibrant community.

We invite the Hindu community in Australia and elsewhere to join as Founder/ Life members and support the noble objects of the Association. If you would like to experience the enormous opportunity of creativity and have a deep sense of belonging join us as a Founder member or be involved in some other capacity- please contact our [Secretary](#), Mr. S. Indrajit (email: gchcan@gmail.com Mobile: +61 434 600 814)
